

“My mother did the right thing
And I will always love her”

Pray for the Babies of Delmarva

“Son I must talk to you
I want you to hear what I have to said
Church of God preachers
Tried to take my baby away from me
So they would sell her”

Pray for the Babies of Delmarva

“They said
They would give her a better life
And That I was a poor mother
For denying them my baby”

Pray for the Babies of Delmarva

“They said
That God wanted me to give them my baby
Because I have two and they have none

Pray for the Babies of Delmarva

So I have spent my whole life fight them
While trying to be a good mother to my baby

Pray for the Babies of Delmarva

I’m not young and pretty anymore
I’m withered and old from worry

Pray for the Babies of Delmarva

Today son I cry because my baby hates me
And loves the woman that allowed preachers
To do sinful things to babies”
